FREQUENTLY ASKED QUESTIONS

01

WHAT IF I LOSE A JERSEY, SOCKS OR PANT SHELL?

All one-off replacement orders are subject to a 20% increase. This also applies to late additions and name and/or size corrections.

02

WHAT IF MY TEAM HAS AFFILIATES?

If you expect to use affiliate players, we recommend ordering one or two additional uniform sets with your initial team order so your team is covered when affiliates are called up.

03

CAN I MAKE CHANGES AFTER MY ORDER IS APPROVED?

Please review names, numbers, sizes, colours and quantities carefully before approval. Changes made after approval may result in additional costs and may affect the timeline.

04

HOW LONG DO THIRD JERSEYS TAKE?

Current standard production timelines are approximately 5–6 weeks. Timelines begin after the order and artwork are approved and may vary based on supplier capacity and product availability.

05

WHAT IF AN ITEM OR SIZE IS NOT AVAILABLE?

Availability cannot be guaranteed in every style or size. If an item is unavailable, Adrenalin will work with the team manager to recommend the closest suitable alternative.

06

CAN WE ADD SPONSOR LOGOS TO OUR JERSEYS?

Yes. Sponsor logos can be added where the jersey design allows. Additional decoration charges may apply, particularly on cut-and-sew jerseys.

07

SHOULD WE ORDER EXTRA APPAREL OR UNIFORMS?

For custom team items, ordering extras with the original team order is recommended when possible. This can help cover late registrations, affiliates, lost items and other additions while avoiding one-off reorder costs.
